NANCY@NOHOARTSDISTRICT.COM

WORKSHOPS ARE BASED ON A 20 PERSON MINIMUM

DANCE

CREATE A DANCE VIDEO WORKSHOP

Work with an experienced choreographer to create a dance video – group production and solo dance numbers with multi-camera film crew and TV makeup artists.

Duration: 4 Hours.

COMMERCIAL DANCER WORKSHOP

Experience a dance class taught by a commercial dancer who has performed with celebrities such as Beyonce, Jennifer Lopez, Usher, etc. Get the “back story” on the commercial dance industry. Learn the business of being a dancer.

Duration: 2 Hours.

ACTING

ACTING WORKSHOP

Dramatic Improvisation is a vital skill for a film or TV actor and the key to great acting. In this workshop you will learn how improvisational techniques can help you find the truth of a scene and the authenticity of a character and also, how it will help you to connect to other actors in a scene.

Duration: 2 Hours.

COMEDY IMPROV WORKSHOP

With the help of our veteran L.A. improv team, your group will take part in numerous improv games and activities designed to help with team building, to connect to each other, to learn to listen and to collaborate toward a common goal, creating something new...all while having a lot of fun.

Duration: 1 1/2 Hours.

FILM

MAKING A MOVIE

Guided by our experienced team of indie filmmakers, you will learn what it is like on a real film set. Together with the team you will create the ultimate zombie movie with professional SFX makeup artists and a story developed for your group. Every student will have the opportunity to act on camera or to be a part of the film crew if they prefer. The film will be edited into a completed short film for you.

Duration: 4 hours.

HOW TO BECOME A FILMMAKER WORKSHOP

We all carry a film production studio in our pockets! Feature films are shot on iPhones all the time and the industry has changed radically in this digital and streaming era. Learn how to utilize what you already have, how to find the equipment and location you need, how to create an engaging story with real and interesting characters, how to produce, promote and distribute.

Duration: 2 Hours.

SPECIAL EFFECTS MAKEUP WORKSHOP

Professional film & TV makeup artists will show you the techniques and tricks to transform into zombies or aliens or horror victims...complete with all the blood and gore! Makeup supplies included.

Duration: 1 1/2 Hours.

MUSIC

CHOIR & ORCHESTRA WORKSHOP

Strings, piano, brass, percussion and choir taught by top clinicians who will evaluate based on intonation, musicality, playing position, ability to sight read and performance.

Duration: 2 hours.

MAKING A RECORD

Grammy Award-winning music producer will arrange and record your music piece at a top L.A. recording studio. Group will receive a master recording of the session. Also included will be a workshop focusing on all elements involved in creating a recording. Learn everything from the creative process to marketing and distribution.

Duration: 3 1/2 Hours.

TOURS

UNDERGROUND THEATRE TOUR

Experience an interactive, fun packed musical review filled with magic, music and improv. Talk with cast about their experience in TV, Film and stage. Dinner Included!

Duration: 3 1/2 Hours.

Performance Opportunities Available! Didn't see the exact tour you want? We will customize the exact tour/workshop you would like based on your interests.
